The College President or his/her designee and Union Chairperson or his/her designee shall comprise the Safety Committee. They shall meet when deemed necessary to discuss and rectify any safety condition they feel necessary to institute. Employees shall use all protective devices and safety equipment provided by the College, and observe all College safety rules.

ARTICLE XXXI - BULLETIN BOARDS

The College shall make available to the Union a bulletin board for the purpose of posting official Union notices.

ARTICLE XXXII - UNION VISITATION

Officers or Representatives of the Union shall, upon request of the Union, be admitted to the College during working hours for the purpose of ascertaining whether or not this Agreement is being observed by the parties or for assisting in the adjustment of grievances upon permission of the College President or his/her designee.

ARTICLE XXXIII - PROMOTIONS AND POSTING OF VACANCIES

SECTION 1

It is the policy and intention of the College to upgrade its employees. Job vacancies on permanent or new positions will be posted for a period of not less than three (3), but not more than five (5) working days exclusively within the College for the information of the employees.

The posting will include, but not be limited to, a general summary of the major duties expected of the position, as well as the salary.

All newly created jobs, within the unit, which have not been posted will be discussed with the President and/or Vice President of the Local before posting.

SECTION 2

If an employee applies for an open staff position and meets all of the written qualifications in the job description, the College shall give first consideration to the applicant before filling the vacancy.

Procedures to be utilized in the filling of positions for Local 440, I.U.E., bargaining unit members are as follows:

1. The College will maintain a system wherein the most senior applicant for a position will be appointed to said position for a thirty-day probationary period.

The applicant will be interviewed by the immediate supervisor in advance of an official appointment. The basic purpose of the interview will be to provide the immediate supervisor with an opportunity to delineate the specific job responsibilities and reasonable expectations (e.g., productivity standards, skills level, organizational capabilities, etc.) that the applicant will have to satisfy. In the event that, as a result of the initial interview, the most senior applicant does not accept the position, the next most senior applicant will receive the same consideration that was extended to the primary candidate. If there are no additional applicants, the position will either be advertised externally or the College will assign a current bargaining unit member to fill the position.

2. The candidate with the greatest seniority will have a thirty-day (30 calendar days) probationary period within which to demonstrate that he/she has the necessary and appropriate skills and abilities to successfully meet the requirements for the position.

It will be the responsibility of the immediate supervisor to complete a performance appraisal form near the end of the probationary period and forward same to the Human Resources Office. Further, the supervisor will give a photocopy of the appraisal form to the candidate at the time it is completed.

3. Should the overall performance appraisal indicate that the candidate has failed to meet the basic requirements for the position, the employee will have one of several options:

(a) If his/her previous position has not yet been filled by the College, the employee will be assigned to fill the vacancy.

(b) If the former position has been filled, the unsuccessful candidate will either be assigned to another existing vacancy of a comparable level, or may utilize the "bumping" rights contained in Article XII, Section 2 of the current collective bargaining agreement.

Note: the College cannot guarantee that every candidate's "former" position will not be filled during a probationary period because the needs of the College will be assessed on a case-by-case basis.

4. An employee who utilizes seniority to move laterally or downward will be required to remain in the new position for a period of one full year.

5. It is understood by the parties that an unsuccessful candidate will have full access to the grievance procedure, excluding binding arbitration, if there is a disagreement with the performance appraisal form that was completed by the immediate supervisor at the conclusion of the probationary period.

6. External applicants for position(s) that have not been filled by bargaining unit members may still be tested by the College (Note: several entry-level positions in the

bargaining unit do not explicitly require specialized skills). However, the College will notify external applicants who are appointed to those positions that do not require specialized skills, that they will have to obtain a passing test score if they subsequently apply for positions within the bargaining unit that entails proficiency in certain clerical skills.

7. The College reserves the right to consider performance factors such as attendance records and discipline history in making the final appointment of the most senior applicant to a position.

A disagreement with the decision of Management to disqualify the most senior applicant is subject to the grievance procedure.

SECTION 3

The College recognizes that in making promotions, consideration shall be given first to the ability and aptitude of an employee to perform the job in question; and second, to the length-of the employee's continuous service. However, it is understood that if all other variables are equal, seniority shall prevail in the final selection process.

ARTICLE XXXIV - MISCELLANEOUS

SECTION 1

Employees working a minimum of two (2) hours of overtime will receive a meal allowance compensation not to exceed \$5.50 for meals eaten off campus, after submission of a receipt to the Business Office. During add/drop and registration periods however, employees who are in the aforesaid overtime status will continue to secure a slip from the Business Office which will entitle them to a meal at the College cafeteria.

All newly created jobs, within the unit, which have not been posted will be discussed with the President and/or Vice President of the Local before posting.
